2ND ALEXANDRIA VERONA MEETING “ENDOSCOPIC EAR SURGERY”

**19 - 20
APRIL 2019**

First Day: **Radisson Blu Hotel, Alexandria, Egypt**

Second Day: **ENT Department, Faculty of Medicine,
University of Alexandria**

AlexORL
36TH
ALEXANDRIA INTERNATIONAL
COMBINED ORL CONGRESS

WELCOME

On behalf of the Organizing Committee, it is both an honor and a pleasure to invite and welcome you for the Second Alexandria-Verona Meeting that will be held in our charming city, the shining gem of the ancient world, Alexandria, Egypt, on 19-20 April 2019.

This meeting is the result of strong cooperation between two most renowned Universities in the field of Otolaryngology, Neurotology and innovator centers in the field of Endoscopic Ear Surgery.

The objective for this meeting is to bring together the experience and knowledge of experts and discuss up-to-date scientific and practical topics in the field of Otolaryngology both microscopic and endoscopic techniques. The most efficient techniques in the field of Endoscopic Ear Surgery from two different centers are brought together.

The meeting will consist of two full days covering many aspects of Endoscopic Ear Surgery. The first day will cover lectures and panel discussion involving many surgeons skilled in this type of surgery. Tips and pitfalls will be highlighted and practical experience will be thoroughly discussed. The second day will consist of live surgeries covering different techniques dealing with different ear pathologies and will be held in the Otolaryngology department, Faculty of Medicine, Alexandria University.

We are looking forward to seeing you and promise to do our best to ensure you a pleasant and relaxing stay in Alexandria.

Mohamed Badr-El-Dine, M.D.

Professor of Otolaryngology, Neurotology and Skull Base Surgery
