# ▶ Robotics and oto-endoscopy

## Introduction

Meeting link ▶ [Click here](#)

- Pr Mohamed Badr-El-Dine (*President of the IWGEES, President of the Egyptian Society of Skull Base Surgery*)
- Pr Vincent Couloigner (*Secretary-General SFORL, Paris, France*)
- Mr Nicolas Prévost (*CEO Collin SAS, Bagneux, France*)

## ▶ RobOtol® assisted endoscopic surgery : feedback on the first patients

- Pr Yann Nguyen (*Paris, France*)

## ▶ What more with the endoscope ?

- Pr Hassan Chelly (*Casablanca, Morocco*)

## ▶ Thermal safety of endoscopic usage in robot-assisted middle ear surgery: an experimental study

- Pr Hao Wu (*Shanghai, China*)

## ▶ Robotic tympanoplasty - Early cases and Team Learning curve

- Pr Remi Marianowski (*Brest, France*)

## ▶ New developments in robotic endoscopy

- Mr Stéphane Mazalaigue (*Bagneux, France*)

## Conclusion

- Pr Vincent Couloigner
- Pr Mohamed Badr-El-Dine
