Date : 1st to 3rd September 2023

Dear friends

Greetings from Talegaon Dabhade.

Welcome to the Land of Natural beauty, rich heritage and history.

SEO is a Society of all passionate Otorhinolaryngologists using endoscope in innovative way to solve the intricate problems in Otolaryngology and here is the platform to all these innovators and Otolaryngologists to interact with each other and share their latest research.

We, the members of SEO (Society of Endoscopic Otorhinolaryngologists) are hosting first SEOCON 2023 in Talegaon Dabhade. On behalf of the Organizing Committee, we request the honour of your presence to attend our First Annual Conference to be held on 1st to 3rd September 2023 at Hotel Orritel Talegaon Dabhade.

The academic program covers a wide range of novel and exciting topics of clinical relevance in Endoscopic Ear Surgeries and Innovations to be delivered by distinguished faculty. The conference will have feast of live surgeries, orations, Consultant and PG award papers , video sessions and posters, igniting the future aspirants in this field of endoscopic Otorhinolaryngology and innovations. The focus of conference is to give insights about Single handed (SHEES) verses Two handed endoscopic Ear surgeries (THEES) as well as microscopic ear surgeries. The tools improving the utility of endoscopes and two hands in ENT surgeries are always welcome and this is the platform to present your work and research. SEOCON will not only cover the SHEES and THEES, but it will ignite on ETHENS (Endoscopic Two Handed Ear and Nose Surgery) and ETHETS (Endoscopic Two Handed Ear and Throat Surgery). We invite you all passionate endoscopic Otorhinolaryngologists to SEOCON to interact and share your knowledge and let's take innovations in Otorhinolaryngology to next level. We are sure that this will be great interacting platform to learn and share knowledge for all otolaryngologists.

We look forward to welcome and meet you all at the Conference.
