International Conference **2024**

## SEOCN 2024

### Dear Friends

Greetings from Talegaon Dabhade.

After a grand success of the first SEOCN 2023, it's my privilege and honour to invite you all to Talegaon... Land of Natural beauty, rich heritage and history and innovations in endoscopic ear surgery.

SEO is a Society of all passionate otorhinolaryngologists using endoscope in innovative way to solve the intricate problems in Otolaryngology and here is the platform to all these innovators and Otolaryngologists to interact with each other and share their latest research.

We, the members of SEO ( Society of Endoscopic Otorhinoaryngologist) are hosting our second conference, SEOCN 2024 to be held from 30th August to 1st September 2023. On behalf of the Organizing Committee, we request the honour of your presence to attend our Second SEOCN.

This year, in quest of innovations we will be having eminent prof mads Sorensen from Denmark for visible ear simulation & virtual temporal bone exercises with touch haptic devices. And we will be including these exercises for the first time in India for the delegates during SEOCN 2024.

Prof Muaz Tarabichi, the pioneer in single handed EES from Dubai will be demonstrating and sharing his expertise with ees dissection and surgeries. Our own living legend in microscopic otological surgeries, Dr Satish Jain from India will be doing microscopic cadaveric dissection and sharing his vast experience demonstrating live surgeries. We will be putting forward our innovations and two handed EES cadaveric and sheep temporal bone dissections and lives surgeries..

Engage yourself in orations and invited talks from stalwarts in the field of otolaryngology and participate to showcase your talents in a variety of competitive award sessions like Consultant and PG award papers , video sessions and posters, and innovative challenge.

We take this opportunity to invite all the passionate endoscopic Otorhinolaryngologists to SEOCN 2024 to interact and share your knowledge and let's take innovations in Otorhinolaryngology to next level.

We are sure that this will be great interacting platform to learn and share innovations, advances in present knowledge & future strategy building for all otolaryngologist.

We look forward to welcome and meet you all in Beautiful land of innovations, Talegaon Dabhade, India
