

1st INTERNATIONAL OTOTOLOGY ENDOSCOPIC SURGICAL WORKSHOP

Maulana Azad Medical College & Associated Lok Nayak Hospital, New Delhi

Department of ENT & Head Neck Surgery

Date : 2nd August 2025

Endoscopic ear surgery is rapidly transforming the field of otology. With its ability to provide superior panoramic visualization of the tympanic cavity—especially the hidden areas of the retrotympanum, protympanum, and ventilation pathways—endoscopy has deepened our understanding of middle ear anatomy and refined our surgical techniques.

As endoscopic otology continues to expand worldwide, we at Maulana Azad Medical College, Delhi (MAMC) are excited to host a two-day Endoscopic Ear Surgery Workshop. This workshop is designed to offer comprehensive insights into endoscopic otology, featuring expert-led demonstrations of surgical techniques for various endoscopic ear procedures and an introduction to the latest advancements in the field.

Bringing together some of the finest endoscopic ear surgeons from across the globe, this workshop promises to be an enriching learning experience for aspiring endoscopic ear surgeons and those looking to expand their expertise in this evolving domain.

We look forward to welcoming you to this academic and surgical learning fest!

PATRONS

Dr. Poonam Narang

Dean MAMC

Dr. B.L. Chaudhary

Medical Director, LNH

ORGANIZING COMMITTEE

Dr. Ravi Mehar

Organizing Chairperson

Dr. Vikram Wadhwa

Organizing Secretary

Dr. Swati Tandon

Organizing Co-Secretary

Dr. Nikhil Arora

Finance Secretary

GUEST FACULTY

Dr. Joav Flavio Nogueira

Director
Sinus & Oto Centro- Hospital
Sao Carlos, Brazil

Dr. Sri Ram Murthy

Marripalem
Visakhapatnam

Dr. Sanjeev Kumar

Director & Senior Consultant
Janaki ENT Hospital
& Maternity Centre.

Dr. S Vetrivel

Managing Director
South Zone ENT Research Center
Villupuram Tamilnadu

DEPARTMENT FACULTY

Dr. P K Rathore

Dr. Ishwar Singh

Dr. H C Taneja

Dr. Ashish Gopal

Dr. Komal Lamba

Dr. Suvercha Arya

PROPOSED LECTURES AND TOPICS

1. *Endoscopic Anatomy of Ear*
 2. *Equipment for Endoscopic Ear Surgery*
 3. *Tips and Tricks in Endoscopic Ear Surgery*
 4. *Endoscopic Tympanoplasty VS Microscopic technique*
 5. *Endoscopic Stapedotomy*
 6. *Endoscopic transcanal Mastoidectomy*
 7. *Endoscopic Paediatric cholesteatoma surgery*
 8. *Complications of EES*
 9. *Limits of the endoscope and pushing the boundaries*
 10. *Role of Radiology in suitability and approach in EES*
 11. *Eustachian Tuboplasty- How to diagnose ETD and management*
 12. *Concept of Functional endoscopic ear surgery*
- Brain storming panel discussion on EES*
